The World's Largest Glass Manufacturer, AGC Glass North America, is taking our commitment to World Class Service to the next level. The Dallas RDC makes the glass industry's widest range of products locally available without driving up your inventory costs. We are committed to tailoring a program that gives you the opportunity to consolidate suppliers and focus on growing your business. We deliver what you need and when you need it.

### Standard operating hours

Monday through Friday, 8am to 5pm CST  
 24 hour service on orders placed before 1:00pm CST

### Delivery flexibility

The Dallas RDC delivers to a 400 mile radius, providing a lead time of 24 to 48 hours.  
 Address: Dallas RDC  
 4050 Valley View Lane  
 Irving, TX 75038

### Order flexibility

Services available	Service description
<b>Delivery of full truckloads</b>	AGC supplies only full trucks to a single address. Our standard delivery trucks carry 22 tons. Full truck orders must be composed of homogeneous packs (usually 2 tons/pack) and a limit of 4 packs of clear float glass with thicknesses < 8mm.
<b>Multi Product MIX</b>	Ability to mix a truckload with products that include Interior and Specialty Glass, Coated Glass, Tinted and Clear Float Glass*.

\* Note: More details on sizes/thickness available upon request. Please contact AGC Customer Service or visit our website [www.agcglass.com](http://www.agcglass.com) for a detailed list of products available in our inventory.

If we aren't stocking what you need at the RDC, please let us know. Your feedback is important for us to better serve you.

The Dallas RDC can handle different types of packaging options, such as sling packs, heavy cases and rolling racks.
