

Now, you can get AGC value-added glass products faster and easier than ever before.

Stocked with a full range of performance, decorative, and specialty glass, our Detroit RDC brings these high-quality value-added products in closer proximity to you and your customers for the ultimate ease of access and speed of delivery.

Experience world-class customer service

AGC Glass has built a reputation for being the most flexible and easiest glass manufacturer with which to do business. AGC remains committed to putting the needs of you, our customer, first. The Detroit RDC is yet another testament to our commitment to partnering with you.

Full range of products

With the Detroit RDC, you can reliably provide your customers a full range of value-added glass products – including a wide selection of decorative and interior products – that can significantly improve your margins.

These value-added products include:

LUXCLEAR® <i>Protect</i>	Anti-corrosion glass
MATELUX®	Acid-etched glass
LACOBEL®	Back-painted annealed glass
LACOBEL® T & MATELAC™ T	Back-painted temperable glass
ENERGY <i>Select</i> ®	High performance Low-E glass (pyrolytic and sputter coat)
CLEARVISION™	Low-Iron glass
SOLARSHIELD®	Tinted float glass
Wired Glass	Clear or patterned glass with an integrated metal wire
Clear	Clear float glass

The World's Largest Glass Manufacturer, AGC Glass North America, is taking our commitment to World Class Service to the next level. The Detroit RDC makes the glass industry's widest range of products locally available without driving up your inventory costs. We are committed to tailoring a program that gives you the opportunity to consolidate suppliers and focus on growing your business. We deliver what you need and when you need it.

Standard operating hours

Monday through Friday, 8am to 5pm EST
24 hour service* on orders placed before 1:00pm EST
*36 hour service on orders delivering to Canada

Delivery flexibility

The Detroit RDC delivers to a 400 mile radius, providing a lead time of 24 to 48 hours.
Address: 10725 Harrison Road
Suite 100
Romulus, MI 48174

Order flexibility

Services available	Service description
Delivery of full truckloads	AGC supplies only full trucks to a single address. Our standard delivery trucks carry 22 tons. Full truck orders must be composed of homogeneous packs (usually 2 tons/pack) and a limit of 4 packs of clear float glass with thicknesses < 8mm.
Multi Product MIX	Ability to mix a truckload with products that include Interior and Specialty Glass, Coated Glass, Tinted and Clear Float Glass*.

* Note: More details on sizes/thickness available upon request. Please contact AGC Customer Service or visit our website www.agcglass.com for a detailed list of products available in our inventory.

If we aren't stocking what you need at the RDC, please let us know. Your feedback is important for us to better serve you.

The Detroit RDC can handle different types of packaging options, such as sling packs, heavy cases and rolling racks.
