

LACOBEL®

Premium back-painted glass in a glossy finish

AGC LACOBEL enhances architects' and designers' interior design visions with endless imaginative applications of sleek, decorative glass. The back surface of the product features a durable, factory-applied industrial paint in one of 20 trendsetting colors. LACOBEL's front surface retains the natural high gloss of glass, providing a modern look for any interior space.

AGC Glass North America, the world's largest glass manufacturer, is committed to providing the widest range of products with world-class service that is second to none. For easy, convenient, and fast access, LACOBEL is available at AGC regional distribution centers.
